

THOMSON T-LINE

FEATURES OF THE 80/81 RANGE

For 1981 we have added several visual embellishments to the tried and tested designs and styling of the GL and S ranges developed to launch T-Line into the eighties.

Apart from these modifications, shown here, all specifications remain as listed.

GLENELG GL

For 80/81 the popular seafoam off-white exterior is relieved with a sculptured band in tan with black wheel arches, and simulated alloy spoke wheel trims complete the picture.

Internally in the GL range, mellow upholstery and bright, full fitted curtains give that extra
