Our Ref. DT/SS

Your Ref.

September 1981

Dear Friends,

Once again we return to Yorkshire, the scene of our first Trade Show in 1954, to present our NEW look models for the 1982 season and to extend a hearty welcome to all our friends, old and new.

Our old friends have been telling us for some time now that our models have been too staid - after all, this is what friends are for, but after seeing the new range, we are sure that this criticism will no longer be valid.

Although the exterior shape has changed only marginally, the range has been given a complete 'face-lift' both inside and out. The many other improvements are detailed in the attached specification.

You will also be pleased to know that we continue to manufacture the Static Holiday range of caravans, details of which are enclosed together with particulars of Horse Box trailers, special purpose trailers, van trailers, etc. etc. which are also manufactured by the T-Line Group and in which you may be interested.

So, once again, a very warm welcome to you all, thank you for your interest and we trust that your visit to the Show will prove to be most enjoyable and even more profitable.

Sincerely yours,

David Thomson,
Chairman.

BRIGHTNESS AND LIGHTNESS FOR '82

New bright light interiors. New lighter yet stronger construction in tune with today's fuel prices, to keep towing costs as low as possible. Better insulation too to help you save with heating.

Just look at these new and improved features.

- Deep-buttoned ruched upholstery.
- Rich rock maple wood fittings with feature fronted doors.
- Stay-shut doors.
- Wrap-round pelmet shelving.
- Finel cord velvet curtains.
- Swept in bed fronts.
- Formed tables and worktops in Formica.
- Table has honeycomb core for lightness in handling.
- New carver space heater.
- Spot lights as standard to back up basic florescence.
- Fire extinguishers.
- Fold away cooker front.
- Stainless steel sink unit with concealed over/cooker under.
- Concealed grill.
- Side and end frames packed with polystyrene for efficient insulation and lightness of construction.
- Purl Deck flooring with built-in insulation and moisture barrier.
- New Hi-line front boxes.
- Double glazed green tinted windows.
- Bright vinyl ceiling.
- New soft edge profile.
- New flow-line all round decal for distinction.

ADVERTISING/ DEALER SUPPORT

Thomson's T-Line have appointed a new advertising Agency. They will be concerned in the production of all trade and national press advertising, and with our brochure, leaflets and P.R. activity.

From you the dealer's point of view they will supply support in the shape of advertising blocks or prints, as you require them, and they are currently working on this support programme. The agency will be in touch when ads for the '82 season have been finalised.

Your contact is:
DAVID TAIT or JEFF WOOD at
Tait & McLay Advertising,
